

## Future Perfect Continuous Mixed Forms 2

Make the future perfect continuous.

1. The author \_\_\_\_\_ (compose) this book series for years by the time it's complete.
2. \_\_\_\_\_ (why/the team/revise) the project plan for so long?
3. By 2035, researchers \_\_\_\_\_ (not/explore) the ocean depths for that many years.
4. By sunrise, the hikers \_\_\_\_\_ (climb) the mountain for hours.
5. \_\_\_\_\_ (they/plan) the event for months before announcing it?
6. The scientists \_\_\_\_\_ (not/test) the vaccine for a sufficient time before announcing its approval.
7. She \_\_\_\_\_ (not/finish) her homework by the time the class starts.
8. \_\_\_\_\_ (how long/they/build) the house when it is completed?
9. \_\_\_\_\_ (how long/the kids/play) outside when it starts to rain?
10. They \_\_\_\_\_ (clean) the office for several hours when they leave.

## Answers

1. The author *will have been composing* this book series for years by the time it's complete.
2. *Why will the team have been revising* the project plan for so long?
3. By 2035, researchers *won't have been exploring* the ocean depths for that many years.
4. By sunrise, the hikers *will have been climbing* the mountain for hours.
5. *Will they have been planning* the event for months before announcing it?
6. The scientists *won't have been testing* the vaccine for a sufficient time before announcing its approval.
7. She *won't have been finishing* her homework by the time the class starts.
8. *How long will they have been building* the house when it is completed?
9. *How long will the kids have been playing* outside when it starts to rain?
10. They *will have been cleaning* the office for several hours when they leave.
